Experience

Center For Design

Design Storyteller | Northeastern University | September 2026 – Present

- Drafted, produced, and refined content across formats.
- Translated written ideas into cohesive graphics that communicate information effectively.
- Documented and shared learnings about which tools worked well, to help build a toolkit for future storytelling.

The Boston Globe Co-op

Editorial Designer | Boston, MA | January 2026 – June 2026

- Designed print and digital editorial layouts for business covers and magazine spreads, with tight production deadlines.
- Partnered with editors and writers to transform stories into visual narratives.
- Created illustrations to enhance audience engagement across multiple platforms.

Scout Conference Team

Experience Designer | Northeastern University | January 2026 – Present

- Presented design concepts and iterate based on stakeholder and user feedback.
- Conducted user research and interviews that translated insights into design solutions.

CAMD F1RST

Peer Mentor | Northeastern University | Boston, MA | September 2025 – Present

- Mentored first-generation students through academic, social, and professional transitions while connecting them with university resources.
- Facilitated one-on-one support sessions and connect students with campus resources.
- Developed leadership and communications skills while supporting student success.

Center For Intercultural Engagement

Social Media Designer | Northeastern University | January 2024 – August 2026

- Designed 20+ social media graphics that promoted student engagement.
- Collaborated with staff and student organizations to communicate key messages.
- Maintained visual consistency with university branding guidelines.
